

Youth and Children and Families leaders wanted

We are looking for people with a passion to nurture the faith walk of youth and children as part of our thriving, vibrant community in Christ.

The role and shape of how you can bring energy and commitment to our community is completely open to creative ways of approaching this calling.

You may feel called to work with youth or children, or both. At this stage, we are simply keen to hear from anyone who would like to chat and explore further.

St George's Anglican Church, Epsom (Auckland) is a 'place of grace' where diversity is celebrated, creativity and justice are encouraged, and we seek to 'dare greatly' in following the Holy Spirit in the life of Jesus Christ.

Please contact The Rev'd Josh Jones 021 075 3232 joshi060@gmail.com
