DIOCESE OF WELLINGTON

Is this your calling?

The Parish of St Luke's Greytown is looking for a new Vicar.

Our Parish is a unique group of people who care about our flourishing, growing community located in the idyllic South Wairarapa region of the North Island.

We're a mixed group from a range of spiritual backgrounds including Anglican, Catholic, Baptist, Pentecostal, Brethren and non-churched.

We have a vision of being a visible, vibrant community following the way of Jesus in our neighbourhood.

We have a particular focus on children and families, small groups, community engagement, worship, and hospitality.

We are looking for someone who is an encourager of others, someone who is skilled at communicating the good news of Jesus inside and outside church, who will develop lay ministry, and has a passion for reaching our community in innovative ways.

Could this be you?
