

Te Rā o te Aranga Easter Day: Christ is risen.

The Lord is risen indeed, Alleluia!
—Luke 24:34

The risen Jesus appears to people, sometimes they did not recognise him immediately. Jesus' body has been transformed. One way he was recognised was by the wounds of crucifixion. The wounds, signs of disability, are part of the resurrection.

**In the excitement of Easter Day, give thanks
that our impairments are part of us.
In resurrection we can rejoice in the way
we are, here and now!**
